Beaver Scouts Halloween
Fly, Float or Neither?

Think Explore Have Fun!

Can you decide how each thing moves? Listen to the name, then choose the corner:

FLIES | **FLOATS IN AIR** | **NEITHER**

1. Things that fly (10)

1. Witch on a broomstick

2. Bat

3. Vampire

4. Dragon

5. Crow

6. Fairy

7. Flying skeleton

8. Owl

9. Magical flying cat

10. Phoenix

2. Things that float in air (10)

1. Ghost

2. Floating magic orb

3. Enchanted floating candle

4. Floating witch's hat

5. Spooky mist

6. Helium pumpkin balloon

7. Floating magical eyeball

8. Magical glowing wisps

9. Floating spellbook

10. Floating jack-o'-lantern

3. Things that do neither (10)

1. Spider crawling on the ground

2. Wizard standing on the ground

3. Frankenstein's monster

4. Mummy walking

5. Skeleton standing

6. Black cat sitting

7. Pumpkin on a doorstep

8. Witch's cauldron

9. Zombie walking

10. Haunted house

How to play:

1. Set up three corners with the signs: FLIES, FLOATS IN AIR and NEITHER.
2. Call out an item from the list.
3. Give the Beavers a few seconds to choose a corner.
4. Ask one or two Beavers to explain their answer.
5. Award a point for a correct answer, with a bonus point for a good explanation!

Leader's Answer Key

Flies (10)	Floats in air (10)	Neither (10)
• Witch on broomstick	• Ghost	• Spider
• Bat	• Floating magic orb	• Wizard
• Vampire	• Floating candle	• Frankenstein's monster
• Dragon	• Witch's hat	• Mummy
• Crow	• Spooky mist	• Skeleton
• Fairy	• Pumpkin balloon	• Black cat
• Flying skeleton	• Floating eyeball	• Pumpkin
• Owl	• Glowing wisps	• Cauldron
• Magical flying cat	• Floating spellbook	• Zombie
• Phoenix	• Floating jack-o'-lantern	• Haunted house

Beaver Scout – Fly, Float, Swim or None?

Can you decide how each thing moves? Listen to the name, then choose the corner:

Flies | **Floats in air** | **Floats on water** | **Moves in water** | **None of these**

Remember:
- **Flies** – moves through the air using its own power.
- **Floats in air** – is carried or suspended by the air.
- **Floats on water** – stays on the surface of the water.
- **Moves in water** – swims or travels under the water.
- **None of these** – doesn't fit any of the above.

1. Things that fly (30)

2. Things that float in air (30)

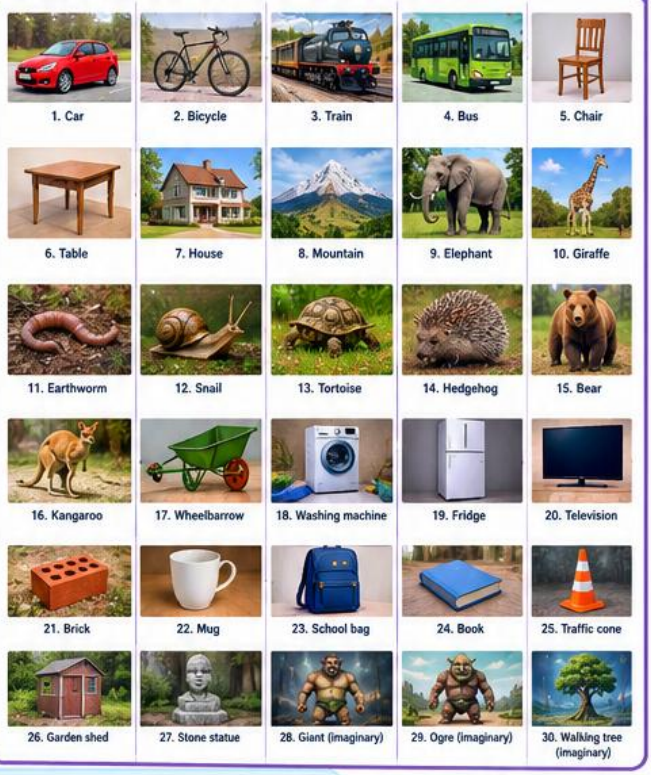

3. Things that float on water (30)

4. Things that swim or move in water (30)

5. Things that do none of these (30)

Trick questions – for a final round!

- A **duck** – flies, floats and swims. (Choose the category from the clue.)
- A **submarine** – moves through water, not just floats.
- A **helium balloon** – floats in air, not flies.
- **An iceberg** – floats on water, even though most is underwater.
- **A penguin** – swims underwater but cannot fly.
- **A dragon** – flies (if we're imagining a typical flying dragon)!

How to play

- Label five corners of the room: FLIES, FLOATS IN AIR, FLOATS ON WATER, MOVES IN WATER, and NONE.
- Read an item aloud. Give Beavers five seconds to choose a corner.
- Ask a few Beavers to explain their choice. Award a point for a correct answer and a bonus point for a good explanation.
- For the main rounds, use the intended answer below. Save the trick questions for a multiple-answer final round.

Category definitions

Flies: **Actively** moves through the air **in a controlled manner**, e.g. a bird or aeroplane.

Floats in air: Is suspended or carried by air, **but not controlled**, e.g. a helium balloon or drifting seed.

Floats on water: Stays on the water's surface, **either controlled or uncontrolled**, e.g. a log or boat.

Moves in water: Actively swims or travels in or under water, e.g. a fish or submarine.

None: Does not fit any of the other categories in the intended scenario.
