1. Which of these is the largest number?

A $2+0+1+3$ B $2 \times 0+1+3$ C $2+0 \times 1+3$

    D $2+0+1 \times 3$ E $2 \times 0 \times 1 \times 3$

---

1.   **A**   Calculating the value of each option gives $2+0+1+3=6$, $2 \times 0+1+3=4$, $2+0 \times 1+3=5$, $2+0+1 \times 3=5$ and $2 \times 0 \times 1 \times 3=0$ so $2+0+1+3$ is the largest.
